ACKNOWLEDGEMENT

I JAISHWANTH A (21MID0149) am deeply grateful to the management of Vellore Institute of Technology (VIT) for providing me with the opportunity and resources to undertake this project. Their commitment to fostering a conducive learning environment has been instrumental in my academic journey. The support and infrastructure provided by VIT have enabled me to explore and develop my ideas to their fullest potential.

My sincere thanks to Dr. Jaisankar N, the Dean of the School of Computer Science and Engineering, for constant support and encouragement. The Dean's leadership and vision have greatly inspired me to strive for excellence. The dedication to academic excellence and innovation has been a constant source of motivation.

I express my profound appreciation to Dr. Sendhil Kumar K S, the Head of the Department of Database Systems for insightful guidance and continuous support. The expertise and advice have been crucial in shaping the direction of my project. The commitment to fostering a collaborative and supportive atmosphere has greatly enhanced my learning experience. The constructive feedback and encouragement have been invaluable in overcoming challenges and achieving my project goals.

I am immensely thankful to my project supervisor, Prof. Kanagaraj K, School of Computer Science and Engineering, for dedicated mentorship and invaluable feedback. The patience, knowledge, and encouragement have been pivotal in the successful completion of this project. The willingness to share expertise and provide thoughtful guidance has been instrumental in refining my ideas and methodologies. This support has not only contributed to the success of this project but has also enriched my overall academic experience.

I extend my heartfelt thanks to all for the guidance and support received throughout this endeavor.
